

### Community Chest Fund Distributed

Community Chest allocations to Red Feather agencies serving the Harbor area were announced today by Jay Albert Robinson, Harbor area chairman.

Funds earmarked for agencies are those raised during last fall's annual Chest drive.

"June has been designated 'Thank You' month by the Community Chest. At this time our gratitude goes not only to all those who contributed to the Chest, but also to the many volunteers who have contributed

their time to insure that the agencies of the Chest should be enabled to continue their health and welfare services," Robinson said.

The agencies in the Harbor area allocated funds for 1957-58 operating costs were: Beacon Light mission, \$15,192; San Pedro Salvation Army corps, \$2,568; Wilmington Salvation Army, \$1,980; Catholic Maritime clubs, \$19,680; Seaman's Church Institute, \$8,460; Avalon Community Center, \$16,620; Boys Club of San Pedro, \$25,

\$12; Homer Toberman Settlement house, \$24,684; Wilmington Community center, \$17,784; and the San Pedro YWCA \$67,240.

Important to the Harbor area were allocations made by the agencies with representatives in the Harbor which were Family Service, Catholic Welfare Bureau, Redondo Camp, Catholic Youth organizations, Veterans Service center, Visiting Nurse assn., Boy Scouts, Girl Scouts and Camp Fire Girls, United Service organizations and the Harbor Area Welfare Planning council.

"During 'Thank You' month all the agencies of the Community Chest will be extending thanks to all those who volunteered their time," Robinson

### Guard Helps Local YMCA

Torrance residents gathered around the YMCA building on Washington ave. last Sunday as men of local Company E 132nd Armored Engineer Battalion helped the local YMCA.

The grounds around the building were overrun with tall weeds and brush and the area required a lot of labor in order to clear it by vacation time.

Capt. Douglas Horlander assisted the local organization by making available a few men and a road grader which accomplished the task in a few hours.

"These 167 agencies include those services extended by such agencies as Children's Hospital, Orthopaedic Hospital and Travelers Aid society," he continued.

### Hair Styling Award Given ECC Students

Cosmetology students of El Camino College today hold four of the six annual awards made by the Southern California Assn. of Cosmetology teachers

Competing in Santa Monica on June 4, the El Camino students took first, second, fifth and sixth places, while recovering the coveted plaque awarded to the college winning the first place honors. This year marked the second in the six-year history of the presentation that El Camino has won the top awards. The plaque was previously won by El Camino in 1955.

The hair-styling of Miss Nancy Slane of Redondo Beach brought her first place honors. Featuring a convertible cut line, her hair style was modeled by Mrs. George Hession of Torrance. Miss Slane is in the junior division of the cosmetology department and recently won first place within that group at El Camino.
